§ 303.245 Waiver of liability for commonly controlled depository institutions.

(a) *Scope.* Section 5(e) of the FDI Act (12 U.S.C. 1815(e)) creates liability for commonly controlled insured depository institutions for losses incurred or anticipated to be incurred by the FDIC in connection with the default of a commonly controlled insured depository institution or any assistance provided by the FDIC to any commonly controlled insured depository institution in danger of default. In addition to certain statutory exceptions and exclusions contained in sections 5(e)(6), (7) and (8), the FDI Act also permits the FDIC, in its discretion, to exempt any insured depository institution from this liability if it determines that such exemption is in the best interests of the Bank Insurance Fund (BIF) or the Savings Association Insurance Fund (SAIF). This section describes procedures to request a conditional waiver of liability pursuant to section 5 of the FDI Act (12 U.S.C. 1815(e)(5)(A)).

(b) *Definition.* *Conditional waiver of liability* means an exemption from liability pursuant to section 5(e) of the FDI Act (12 U.S.C. 1815(e)) subject to terms and conditions.

(c) *Filing procedures.* Applicants shall submit a letter application to the appropriate regional director (DOS).

(d) *Content of filing.* The application shall contain the following information:

(1) The basis for requesting a waiver;

(2) The existence of any significant events (e.g., change in control, capital injection, etc.) that may have an impact upon the applicant and/or any potentially liable institution;

(3) Current, and if applicable, pro forma financial information regarding the applicant and potentially liable institution(s); and

(4) The benefits to the appropriate FDIC insurance fund resulting from the waiver and any related events.

(e) *Additional information.* The FDIC may request additional information at

any time during the processing of the filing.

(f) *Processing.* The FDIC will provide the applicant with written notification of the final action as soon as the decision is rendered.

(g) *Failure to comply with terms of conditional waiver.* In the event a conditional waiver of liability is issued, failure to comply with the terms specified therein may result in the termination of the conditional waiver of liability. The FDIC reserves the right to revoke the conditional waiver of liability after giving the applicant written notice of such revocation and a reasonable opportunity to be heard on the matter pursuant to § 303.10.

(h) *Authority retained by FDIC Board of Directors.* The FDIC Board of Directors retains the authority to act on any application for waiver of liability of commonly controlled depository institutions.

§ 303.246 Insurance fund conversions.

(a) *Scope.* This section contains the procedures to be followed by an insured depository institution to seek the FDIC's prior approval to engage in an insurance fund conversion that involves the transfer of deposits between the SAIF and the BIF. Optional conversion transactions, commonly referred to as Oakar transactions, pursuant to section 5(d)(3) of the FDI Act (12 U.S.C. 1815(d)(3)), which do not involve the transfer of deposits between the SAIF and the BIF, are governed by the procedures set forth in subpart D (Merger Transactions) of this part.

(b) *Filing procedures.* Applicants shall submit a letter application to the appropriate FDIC regional director (DOS). The filing shall be signed by representatives of each institution participating in the transaction. Insurance fund conversions which are proposed in conjunction with a merger application filed by a state nonmember bank pursuant to section 18(c) of the FDI Act (12 U.S.C. 1828(c)) should be included with that filing.

(c) *Content of filing.* The application shall include the following information:

(1) A description of the transaction;

(2) The amount of deposits involved in the conversion transaction;

(3) A pro forma balance sheet and income statement for each institution upon consummation of the transaction; and

(4) Certification by each party to the transaction that applicable entrance and exit fees will be paid pursuant to part 312 of this chapter.

(d) *Additional information.* The FDIC may request additional information at any time during processing of the filing.

(e) *Processing.* The FDIC will provide the applicant with written notification of the final action as soon as the decision is rendered.

(f) *Delegation of authority.* Authority is delegated to the Director and Deputy Director (DOS) and, where confirmed in writing by the Director, to an associate director and the appropriate regional director and deputy regional director, to approve or deny filings for insurance fund conversions involving the transfers of deposits between the SAIF and the BIF.

§ 303.247 Conversion with diminution of capital.

(a) *Scope.* This section contains the procedures to be followed by an insured federal depository institution seeking the prior written consent of the FDIC pursuant to section 18(i)(2) of the FDI Act (12 U.S.C. 1828(i)(2)) to convert from an insured federal depository institution to an insured state non-member bank (except a District bank) where the capital stock or surplus of the resulting bank will be less than the capital stock or surplus, respectively, of the converting institution at the time of the shareholders' meeting approving such conversion.

(b) *Filing procedures.* Applicants shall submit a letter application to the appropriate regional director (DOS).

(c) *Content of filing.* The application shall contain the following information:

(3) A copy of any documents submitted to the state chartering authority with respect to the charter conversion.

(d) *Additional information.* The FDIC may request additional information at any time during the processing.

(e) *Processing.* The FDIC will provide the applicant with written notification of the final action when the decision is rendered.

(f) *Delegation of authority.*—(1) *Approvals.* Authority is delegated to the Director and Deputy Director (DOS) and, where confirmed in writing by the Director, to an associate director and the appropriate regional director and deputy regional director, to approve applications to convert with diminution of capital.

(2) *Denials.* Authority is delegated to the Director and Deputy Director (DOS) and, where confirmed in writing by the Director, to an associate director to deny applications to convert with diminution of capital.

§ 303.248 Continue or resume status as an insured institution following termination under section 8 of the FDI Act.

(a) *Scope.* This section relates to an application by a depository institution whose insured status has been terminated under section 8 of the FDI Act (12 U.S.C. 1818) for permission to continue or resume its status as an insured depository institution. This section covers institutions whose deposit insurance continues in effect for any purpose or for any length of time under the terms of an FDIC order terminating deposit insurance, but does not cover operating non-insured depository institutions which were previously insured by the FDIC, or any non-insured, non-operating depository institution whose charter has not been surrendered or revoked.

(b) *Filing procedures.* Applicants shall submit a letter application to the appropriate regional director (DOS).

(c) *Content of filing.* The filing shall contain the following information:
